

Please save (and bring to church) your ½ liter pop, soda, water, etc. clear bottles WITH plastic top still screwed on. (If you take off the label it will help.)

We need about **TWO THOUSAND FOUR HUNDRED (2,400)** of them for this SPECIAL

GOSPEL PROJECT.

We are going to tell our neighbors what we remind ourselves every Sunday: **YOU ARE A BELOVED CHILD OF GOD.**

Special Art Project to claim the Good News will look something like this, in our Parking Lot Fence. (Just empty pop bottles,

colored water and a matrix.) Can we collect 2,400 bottles by the end of July? Ask your friends to help you collect pop bottles to spread the Good News of Jesus.
