

St. Marks,

I just wanted to let everyone know at St. Marks UMC how much I appreciate your hospitality and your generosity. I've been on the road full time going on 15 years and I wish I could say that there's been a lot of churches like yours that blessed me the way you did. With the amount of CDs I sold and the love offering I was extremely blessed.

Thank you so much for the prayer quilt! It is beautiful & the prayers and the quilt are so appreciated. It is such a special gift & we will make sure that she knows the significance of the quilt when she gets older. Thank you all for the hard work put into making it for her.

UMW Ministry One

A huge thank you to all those who brought breakfast foods for Ministry One to be donated to Heart and Hand. We delivered three grocery carts full of items collected during May and June. A lot of children do not have breakfast during the summer and this will go a long way to meeting that need. Heart and Hand has operated as CDOM, a mission project under the United Methodist Church, for many years. They are happy to announce the name has officially changed to Heart and Hand. This should clarify who they are. Thank you for supporting Ministry One and for helping many needy families and children. Saint Marks rocks!
